

CHAMPIONING ECONOMIC RESILIENCE AND MOBILITY IN NORTHEAST HOUSTON

The **Houston Economic Growth Collaborative (HEGC)** is a collective of neighborhood, citywide, and national leaders bringing together our resources, knowledge, and power to actively champion the community's vision for greater economic resilience and mobility in Northeast Houston neighborhoods.

THE OPPORTUNITY

The people of Northeast Houston have been organizing and advocating for decades. HEGC was created to enhance the work already happening in communities to enhance the quality of life for people living, working, and worshiping in Northeast Houston.

WHAT THIS MEANS

HEGC aims to build power fueled by community partnerships for lasting impact and invites residents, funders, organizers, and policymakers to join this effort to expand opportunity and resources for the people of Northeast Houston.
